Subject: Event Tonight in Support of CPL Programs

Hi Steve,

I'm attaching the invitation for an event this evening which Commissioner Telli, Olivia Kuncio, and I will be attending on behalf of Chicago Public Library. It is hosted by the Heir Jordan Foundation and Players' Tribune as part of the Chicago All Star Weekend festivities with proceeds going to the Chicago Public Library Foundation in support of CPL programs.

Commissioner Telli and Olivia are copied on this email as well. Please let us know if there is anything else we need to do to formally report this.

Thank you,

Patrick
